Dark Tales: Beauty and the Beast
by Jeanne-Marie Leprince; Illustrated by Pete Katz

This modern retelling of the classic fairy tale of Beauty and the Beast is told here in a graphic novel format. More than 100 pages of illustrated action, adventure, and love teach a lesson to look beyond the surface and learn to love what’s underneath. A merchant takes shelter in a castle during a thunderstorm, and ends up striking a bargain with its beastly master. His youngest daughter, Beauty, returns to the castle to live in exchange for a restoration of the family’s previous wealth. Beauty befriends Beast, but longs to see her family again. He allows her to visit her former home, but when she doesn’t return at the designated time, consequences ensue.

---

Dark Tales: The Call of Cthulhu
by H. P. Lovecraft; Illustrated by Dave Shephard

H. P. Lovecraft’s story of supernatural monsters deep in the Pacific, told in graphic novel format, will keep you on the edge of your seat. More than 100 pages of illustrated horror and adventure await! Henry Wilcox can’t ignore his dreams of an enormous green monster calling to him from an underwater alien city. He seeks the help of Professor Angell, who dies suddenly, leaving a box of research on the subject for his nephew, Francis. Francis seeks answers about his uncle’s death, and in the process uncovers evidence of a cult waiting for the Great Old Ones to return.
Dark Tales: The Hound of the Baskervilles
by Sir Arthur Conan Doyle; Illustrated by Dave Shephard

This classic “whodunit” story with the famous Sherlock Holmes and Dr. Watson is now told in graphic novel format. More than 100 pages of illustrated action and adventure! Sir Charles Baskerville, master of the Baskerville estate, is found dead at the gates with a look of horror on his face. Sherlock Holmes and Dr. Watson are called in to investigate the possibility of foul play. After several false leads, they solve the mystery and reveal the truth.

---

Dark Tales: The Snow Queen
by Hans Christian Andersen; Illustrated by Emilie Majarian

Seven vignettes in a graphic novel format make up Hans Christian Andersen’s fairy tale The Snow Queen, which depicts the struggle between good and evil. More than 100 pages of illustrated action and adventure await! A demon creates a magic mirror that reflects negative thoughts. His minions break it, and shards of the mirror get into the hearts and eyes of citizens all over the land. Gerda’s friend Kay is affected, and is lured away by the Snow Queen to become her palace slave. Follow Gerda’s adventures in her quest to rescue her friend and restore his compassion!
Wuthering Heights
by Emily Brontë

Discover a passionate tale of love lost, found, and avenged in *Wuthering Heights*. Lockwood, a wealthy man from England, rents a house from an eccentric gentleman named Heathcliff, who is the tortured master of Wuthering Heights. Through Lockwood and the housekeeper, Nelly, the story of Heathcliff’s adoption, upbringing, revenge, and love for Catherine is told. The unconventional relationships and complex story structure will keep you turning pages long into the night.

---

The Phantom of the Opera
by Gaston Leroux

Rumored to be haunted, the Palais Garnier opera house in nineteenth-century Paris is the setting for this story of a dangerous love triangle among a young Swedish soprano, her mysterious “Phantom” tutor, and her childhood friend. When Carlotta, the lead soprano, takes ill and Christine Daaé’s understudy performance is a rousing success, Vicomte Raoul de Chagny falls in love with Christine. Meanwhile, her tutor, “the Angel of Music,” whom she believes has been sent by her deceased father, is also coveting Christine’s affections. But the Angel is no phantom as everyone believes, and his fears of Christine’s rejection due to his masked disfigurement prompts him to abduct her and extract a promise of marriage born of wild jealousy. This latest addition to the Word Cloud Classics series will have you burning the candles low to reach the dark, gothic ending.

The Awakening and Other Stories
by Kate Chopin

The works of Kate Chopin were nearly forgotten for much of the twentieth century, but her popularity made a resurgence in the 1970s when readers and scholars turned their attention to early women’s literature. *The Awakening*, her best-known novel, is set in the Gulf Coast region around New Orleans, and is critically acclaimed for its style and for being ahead of its time in discussing important women’s issues. Also included in this volume are several of Chopin’s short stories, including “Désirée’s Baby” and “The Story of an Hour.”

---

My Ántonia
by Willa Cather

Willa Cather’s novels brought the life of American settlers on the Great Plains to the forefront of the nation’s consciousness during a time when the lands west of the Mississippi were undergoing rapid transformation. *My Ántonia*, considered by many scholars to be her first masterpiece, tells the story of a young orphan, Jim Burden, who is sent from Virginia to Nebraska, where he grows up with his grandparents on their farm. He becomes friends with Ántonia Shimerda, a Bohemian girl who endures her own struggles as she enters adulthood. Rich in themes that will resonate with readers of all backgrounds, *My Ántonia* explores the struggles and triumphs of ordinary people in extraordinary times.

---

Crime and Punishment
by Fyodor Dostoyevsky; Translated by Constance Garnett

Originally published in 1866, *Crime and Punishment* is a psychological thriller that deals with issues of morality, conscience, and redemption. Widely considered to be one of the greatest novels written in any language, this novel explores the life of Rodin Raskolnikov, a young Russian man who robs and murders a pawnbroker to save himself from a life of poverty. As a consequence, he must deal with the oppressive mental anguish of being a criminal while attempting to maintain relationships with his friends and family.
The Autobiography of Benjamin Franklin and Other Writings
by Benjamin Franklin

A fascinating and unconventionally educated man, Benjamin Franklin imparts—in his own words—wisdom and remarkable life lessons on the art of living with great personal integrity. Taken from John Bigelow’s carefully researched 1868 publication that was transcribed directly from the original manuscript, this copy is sure to be a treasured part of any home library. Franklin’s autobiography and significant papers are still in great demand globally, and describe the interesting, varied, and unusual life of one of the most amazing Founding Fathers of the United States.

---

Selected Works of Alexander Hamilton
by Alexander Hamilton

Alexander Hamilton is best known as the United States’ first Secretary of the Treasury and the author of the majority of *The Federalist Papers*, a series of essays that outlined the basic concepts and premises of the U.S. Constitution. Since the founding of the nation, these essays have been used by the U.S. Supreme Court as an authoritative guide to the intentions of the Founding Fathers in cases involving constitutional interpretation. Included in this volume are five of the most important essays from *The Federalist Papers*, plus personal correspondence and public statements from across Hamilton’s career as a statesman.
