Disney Classic
Paint-by-Number
by Jessica Ward

The animated films of Walt Disney are treasured by fans of all ages, and now you can paint your own scenes from these classics using paint-by-number techniques. Bring to colorful life scenes from Alice in Wonderland, The Jungle Book, Lady and the Tramp, Pinocchio, and Snow White and the Seven Dwarfs. The sturdy canvases can be hung up on the wall or displayed on the included stands.

• Kit includes five canvases with scenes from classic Disney films, five display stands, ten colors of acrylic paint, and a paintbrush
• Accompanied by a 48-page book that contains tips on how to mix colors and apply them to the canvases, in addition to insightful commentary on Disney’s classic films
• Paint famous scenes from Disney films by following the number guide, or add your own touch with the colors of your choice

The Battles of Tolkien
by David Day

The history of J. R. R. Tolkien’s fictional world of Middle-earth is filled with epic battles in an ongoing struggle between good and evil. The Battles of Tolkien recounts many of the greatest conflicts over thousands of years, from the earliest skirmishes of the Valarian Ages to the defining battles in the War of the Ring. Insightful commentary by Tolkien scholar David Day discusses how the people, tactics, and weapons influenced the outcome of each battle, and also how the legends of Middle-earth relate to the real-world mythology on which Tolkien based his famous literary creation. Maps and full-color illustrations help bring this rich universe to life, making it an invaluable reference book for Tolkien fans of all ages.

• Includes commentary, maps, illustrations, and timelines of major battles from The Silmarillion, The Hobbit, and The Lord of the Rings

• Provides readers with an overview of the evolution of Middle-earth and the Undying Lands by tracing the courses of epic conflicts

• A fine addition to any enthusiast’s Tolkien library

• Ebook available

Fifty States: Every Question Answered
by Lori Baird, Marcel Brousseau, and Amber Rose

What was the last state to join the Union? What does the state quarter for Alabama look like? What is the state bird of Texas? All these answers and more are contained in Fifty States: Every Question Answered! Whether you’re a student or a history buff, this book is a great reference for each state’s geography, factual details, and ecology. Beautiful color photos and maps fill the pages, providing a view of how the landscape has changed over the years. Young and old alike will enjoy this walk through our fifty great states.

- Updated, revised edition
- Overviews and histories of each state
- Beautiful color photographs of landscapes, landmarks, and points of interest
- Special section for state facts, including each state’s official flag, flower, tree, bird, slogan, and a photo of the state quarter

Presidents: Every Question Answered
by Carter Smith

From the days of a newly founded nation to the global power seat it has become, the highest office of our country has been a challenging one to occupy. Presidents: Every Question Answered reviews our leaders’ time in office and how their distinct characteristics became evident in the laws and improvements (or regressions) made during their terms. Biographical facts, historical records, and the administrative personnel that shared each president’s days are contained in these pages. Whether you’re a history major looking for extra credit, or just curious to know more about the United States, this book will give you insight and answers to your questions.

- Updated, revised edition
- Timeline helps keep events of each president’s term in perspective
- Special section of inaugural addresses of the most memorable presidents
