

KOI

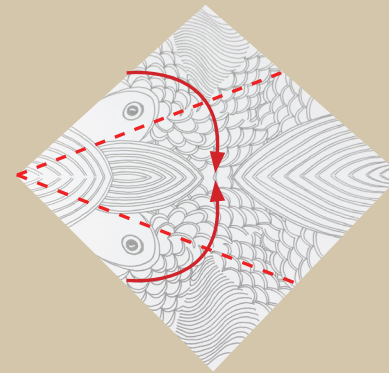

Coloring Tip:
Color the darker side of the paper.
Start with that side facedown.

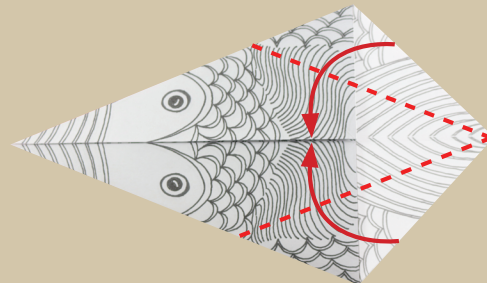

1 Valley fold in half in each direction, and unfold.

2 Valley fold, aligning left edges to center crease.

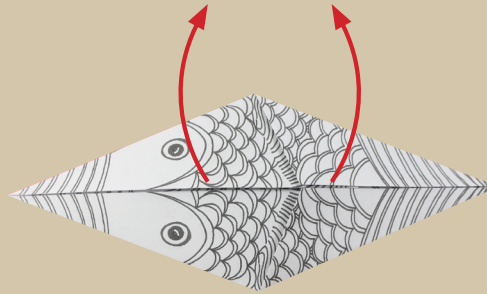

3 Valley fold, aligning right edges to center crease.

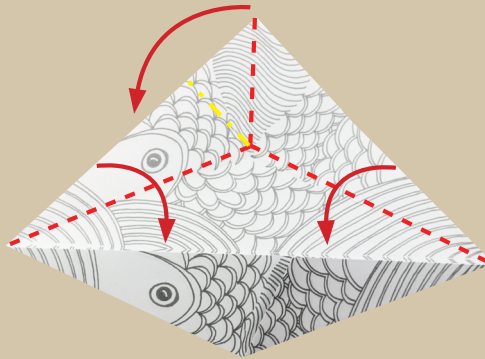

4

Unfold both layers on top section.

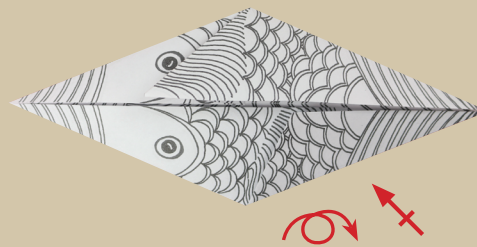

5

Rabbit-ear fold, using existing creases. Start with long diagonal creases, and then lower the raised flap downward to the left.

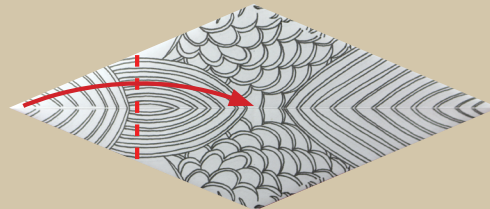

6

Repeat steps 4-5 on lower section. Turn over.

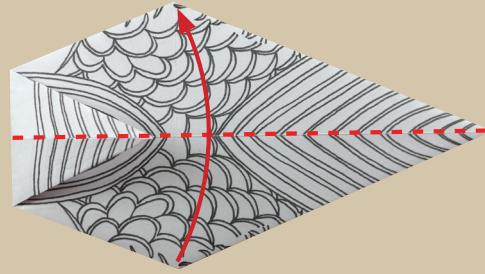

7

Valley fold, aligning tip to the center.

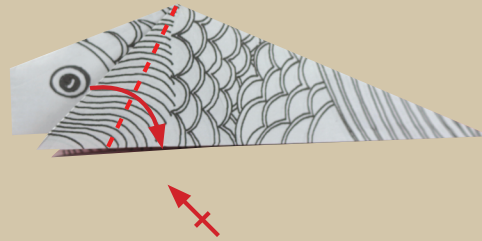

8

Valley fold upward.

9

Valley fold flap in half.
Repeat on opposite side.

10

Inside reverse fold,
pushing from below to
raise the tail. Pre-crease
through all layers with a
valley fold if necessary.
