

**MEXICAN SUGAR
SKULL (p. 84)**

Start by creating a basic skull shape using the template on this page, then fill it in with the colorful floral details on the opposite page. The easiest way to do this is by using transfer paper to copy the outlines directly onto your pumpkin.

**SIMPLE MEXICAN
SUGAR SKULLS (p. 84)**

These simplified faces are perfect for paint pens or markers. Use transfer paper to copy the shapes and simply fill them in. It would also be easy to etch and carve these more basic shapes.
